Nerith, the Whispering Tide

Domains: Sea, Storms, Mysteries of the Deep

Symbol: A spiral shell with an inner glow

Personality: Nerith is an enigmatic force, embodying the secrets of the ocean depths. She communicates through the ebb and flow of tides, and her presence is felt in the quiet power of the sea.

Followers: Sailors, fishermen, coastal villages, mystics, those seeking hidden truths beneath the waves.

Thalor, the Veil of Arcana

Domains: Knowledge, Arcane Secrets, Dreams

Symbol: A shimmering veil with arcane symbols

Personality: Thalor is a god of hidden wisdom, who appears in dreams and visions. He is elusive, revealing knowledge only to those who seek with pure intent. His followers often glimpse him through the veils of reality. He is the bane of Lysandra, whom his followers call the queen of deceit.

Followers: Dreamers, seers, arcane researchers, those on quests for forgotten lore.

Aeloria, the Luminous Muse

Domains: Love, Beauty, Inspiration

Symbol: A radiant heart surrounded by ethereal light

Personality: Aeloria is an ethereal presence, inspiring sudden bursts of creativity and profound love. She is often felt as a muse in moments of artistic clarity, her presence fleeting but deeply impactful.

Followers: Artists, poets, lovers, those in search of transcendental beauty.

Malakar, the Shadowed Blade

Domains: War, Honor, Shadows of Strategy

Symbol: A shadowy figure wielding a gleaming sword

Personality: Malakar moves in the spaces between battles, a figure of shadow and steel. His strategies are whispers in the dark, guiding warriors through intuition and sudden insight. His presence is subtle, a chill in the air before combat.

Followers: Shadowy tacticians, duelists, warriors seeking a deeper understanding of conflict.

Tenents

"If you're in a fair fight, you failed"

"Know your enemy and know yourself"

Sylvana, the Verdant Spirit

Domains: Nature, Harvest, Cycles of Life

Symbol: A glowing seed enveloped in roots and leaves

Personality: Sylvana is the spirit of the wild, present in every rustle of leaves and bloom of flowers. She is ephemeral, her form changing with the seasons, her presence felt in the very essence of nature's cycles. She is the antagonistic spouse of [Silvaris](#), contrasting the perceived order of civilization with the beautiful chaos of nature.

Followers: Druids, forest guardians, those attuned to the subtle rhythms of the earth, some of the more esoteric farmers

Draven, the Eclipsed Moon

Domains: Shadows, Secrets, Night's Embrace

Symbol: A crescent moon obscured by swirling mists

Personality: Draven is a shadowy figure, a whisper in the night, embodying the mysteries hidden in darkness. He is felt in the unseen and the half-heard, a guide for those who walk the path of shadows. Draven encourages the uncovering of the darkest and deepest secrets of the world, going brazenly against the teachings of Oros and intentionally defying them.

Followers: Nocturnal wanderers, keepers of secrets, those who seek the hidden paths.

Liora, the Dawn's Glow

Domains: Light, Healing, Transcendence

Symbol: A faint, glowing orb that emanates soft light

Personality: Liora is a gentle glow in the moments before dawn, a soft warmth that heals and rejuvenates. Her presence is felt in the quiet of morning light, a transcendental force that soothes and restores.

Followers: Healers, dawn worshippers, those seeking solace and renewal.

Vaelan, the Smoldering Forge

Domains: Forge, Craftsmanship, Alchemical Fire

Symbol: A faintly glowing ember cradled by ethereal tongs

Personality: Vaelan is the hidden spark of creation, a subtle force behind every crafted masterpiece. He is the quiet fire that drives innovation, his presence felt in the heat of inspiration and the quiet of the forge.

Followers: Alchemists, master craftsmen, those who seek the mysteries of creation.
