

Malakar, the Shadowed Blade

Domains: War, Honor, Shadows of Strategy

Symbol: A shadowy figure wielding a gleaming sword

Personality: Malakar moves in the spaces between battles, a figure of shadow and steel. His strategies are whispers in the dark, guiding warriors through intuition and sudden insight. His presence is subtle, a chill in the air before combat.

Followers: Shadowy tacticians, duelists, warriors seeking a deeper understanding of conflict.

Tenets

"If you're in a fair fight, you failed"

"Know your enemy and know yourself"
