☐☐ The Makita Constructorium

- **Domain:** Engineering, construction, and large-scale infrastructure (bridges, docks, fortifications).
- **Character:** Practical, disciplined, and bureaucratic.
- **Guildmaster: Ronan Makita**, a human traditionalist who prioritizes order and stability over innovation.

⚡The DeWalt Fabricators

- **Domain:** Steamcraft and weapon manufacturing.
- **Character:** Aggressive and militaristic, obsessed with efficiency and dominance in industry.
- **Founder: Cassira DeWalt**, a sharp-tongued half-elf industrialist with rumored connections to espionage networks.
- **GuildMaster:** Garibaldi Bolivar, elf, confidant of Carissa, currently overseeing Eldoria operations
- **Scribe:** Jamnel, Gnome Woman. Liaison of the BPC with DeWalt

The Bosh Gearwrights

- **Domain:** Alchemy, clockwork, and arcano-mechanical research.
- **Character:** Experimental, academic, and somewhat unhinged.
- **Guildmaster:** **Erasmus Bosch**, a gnome obsessed with merging alchemy and soul energy.

The Dremel Artificers

- **Domain:** Finecraft, artificing, and precision enchantment.
- **Character:** Artistic, secretive, and deeply intertwined with the magical elite.
- **Guildmistress:** **Veyra Dremel**, an elf artisan rumored to have studied in the mirror realms before the planar ban.

⚓ The Ryobi Shipwrights

- **Domain:** Shipping, docks, and river trade.
- **Character:** Rough, pragmatic, and populist — they recruit heavily from the working class.
- **Guildmaster:** **Hadrin Ryobi**, a dwarven ex-captain who tries (and fails) to balance loyalty to his dockworkers and the pressures of the other guilds.

☐☐ The Black & Decker Consortium

- **Domain:** Energy, fuel refining, and power distribution (coal, aether, and magical combustion).
- **Character:** Ruthless and corporate — the closest thing Eldoria has to an industrial monopoly.
- **Guildmaster:** **Thane Black**, a human magnate who hides his cruelty behind polished rhetoric.
